Jaiden cuts Raya off and grips her arm.

RAYA LEBLANC
 Okay, okay.

Raya can see how serious Jaiden is so she then goes in the

They are alone in the kitchen. Jaiden is becoming extremely
 agitated and slightly angry with Raya and so he begins to
 confront her.

JAIDEN MCKNIGHT
 Really Raya? Really?... ME ignoring
 your calls don't mean bring your
 ass over here. last time I checked
 we are not together. and I don't
 owe you shit!

RAYA LEBLANC
 Jaiden please calm down I was just
 concerned.

JAIDEN MCKNIGHT
 Since when? Stop pretending like
 you give a fuck? It's not gone make
 your followers go up? We both know
 how you felt about my dad and
 unprovoked at that.

Raya's entire demeanor changes as if she was just putting on
 an act, she gathers her self and a cunning and sinister look
 comes upon her face.

RAYA LEBLANC
 You and I both know it was just
 business Jaiden. I still can come
 and show my respects. Plus I would
 not have came if you would've of
 answered my calls.

JAIDEN MCKNIGHT

You left a message didn't you?

RAYA LEBLANC

Well yeah I did but

Jaiden cuts her off.

JAIDEN MCKNIGHT

That was good enough. You can leave now.

RAYA LEBLANC

Well at least let me say goodbye to your mom.

JAIDEN MCKNIGHT

(Calmly)

Raya, get the fuck out.
