JAIDEN MCKNIGHT

Didn't seem like I had much of a choice.

MICHAEL MCKNIGHT

You'll thank me later, any way Im going to shoot you a text with the schedule.

Michael McKnight sends the text, JAIDEN grabs his phone out of his pocket and looks down.

JAIDEN MCKNIGHT

4 days a week, Unc how Im suppose to pay for studio time?

MICHAEL MCKNIGHT

Look I can't just hire you in and start giving you more hours over these young niggas in here. Im going to have you do some paper work for me after hours to make some extra money, but this ain't Ford nigga, I don't expect you to be here for ever, this is just for you to fund your music.

JAIDEN MCKNIGHT

Shit, studio time alone is \$95 an hour!

MICHAEL MCKNIGHT

\$95 and you ain't had a hit?

JAIDEN MCKNIGHT

Come on Unc don't do me like that. That's not how it works.

MICHAEL MCKNIGHT

Aye well you know Nate son, Gee, you went to high school with him.

JAIDEN MCKNIGHT

Yeah, I recorded with him a couple times back in high school.

MICHAEL MCKNIGHT

Okay bet so you know him. Well he has a studio in Bright more and only charges \$40 an hour.
