They walk back to an even more crowded section than before they took off to the bathroom. The crowd is vibing to the Artis on stage. Just before Zharia gets to the stage she is pulled to the side by Billie Dubois.

BILLIE DUBOIS

Zharia I thought that was you. You took off so fast past me I barely noticed you, you think you could go ahead and grace us with a little medley. I know your big time now opening up for Tammy Love and all but you never for get where you started. Oh and remind me to introduce you to Bonita she's an upcoming artist who absolutely loves you and she reminds me of you when you first started out.

ZHARIA JONES

I don't know.

BILLIE DUBOIS

Oh come on it doesn't have to be a long set and think of it as promo for your show this weekend, giving them just a taste.

ZHARIA JONES

Alright, you know I can't say no to you. I would love to meet her but I might have to run out of here after this so I'll text you my show details and why don't you guys come and I can meet her then.

BILLIE DUBOIS

See that's why I love you.

Zharia and Billie hug each other and Billie walks back over to the stage to introduce Zharia, Jamie gives her a look as if she's asking if she's sure, Zharia looks at Jamie and gives her a comforting nod.

Zharia then takes a deep breath and goes next to the stage preparing to go up she vibes to the music and sings a little medley and the scene ends.
