

DETECTIVE SUAREZ
So what do we have here?

OFFICER JOHNSON
6 injuries 1 Fatality 1 critical.

DETECTIVE GOODWIN
What happen?

OFFICER JOHNSON
Okay so you know the Ezekiel
McKnight case?

DETECTIVE SUAREZ
Yeah.

OFFICER JOHNSON
Well this is his funeral.

DETECTIVE GOODWIN
Wait, wait, Im confused.

DETECTIVE SUAREZ
Im not, that means our suspicion of
it being more than just a robbery
makes sense. We are going to need
to get statements from all the
witnesses. Preferably the family
members first.

OFFICER JOHNSON
I don't know, the fatality was Mrs.
McKnight and the critical was
Ezekial McKnight's Sister.

DETECTIVE SUAREZ
Are you fucking serious? Mrs.
McKnight? Okay Im not sure whats
going, but this is definitely not
just some robbery gone wrong. We
are looking at a possible murder
for hire.

OFFICER JOHNSON

The son wont leave his mother's side they've already laid the sheet over her body but he's just sitting there in shock. The pastor and and the uncle have been the most cooperative in giving statements.

DETECTIVE GOODWIN

Okay well maybe we'll Just see if we can get the uncle, the pastor and a few of the other witnesses to the station.

DETECTIVE SUAREZ

Johnson, I need you to ask The Uncle and The Pastor would they be willing to take a ride to the station to give an account of exactly what took place.

DETECTIVE GOODWIN

It might be a stretch but see if the son would be willing to ride down to the station too if he refuses don't force it.

OFFICER JOHNSON

Okay will do.

DETECTIVE SUAREZ

Something is off about this entire case. Im going to get a few statements from the rest of the witnesses and I'll meet you guys down at the station.
